Updates from the President (Traci Samaras)

Traffic concerns, Rosemary and Jeanne to make a list for Joel Nobel. Timeline on track, they removed the power polls from the alley on Josephine. The February General meeting sponsor is the Lamont School of Music and we are looking for May and October sponsors. UPCC facebook page is ready to launch. Debbie and Traci will attend the District 3 dinner on January 21. Is the Purple Pages something that we should still publish, we do have an interested person.
